

Product Description

Mirror gold silver sublimation aluminum sheet could enhance the light efficiency by more than 60% and save energy. The effect of mirror reflection can enlarge the space and show the illusion effect. The rolling surface of the reflective effect enhances the architectural performance of the house. The excellent light reflection performance of the mirror aluminum plate can greatly improve the light efficiency of the lighting, optical and solar equipment, improve the quality of the product, prolong the life of the product, effectively achieve the energy saving, reduce the energy consumption and so on, and meet the customer's demand for the albedo of aluminum.

The surface of the gold silver mirror has a bright surface, such as mirror, high surface hardness, the surface hardness of sapphire, good scratch resistance, no paint cover on the surface, retaining the metal color of the aluminum plate, highlighting the modern metal sense, improving the grade and added value of the product. No fingerprints, no stain marks, easy to clean, no corrosive spots. The golden silver surface is suitable for interior decoration, sign, sign, bag, jewelry box, household appliance panel, electronic product shell, furniture kitchen, interior and exterior decoration and so on. It is very suitable to be used as the decorative function of the product.

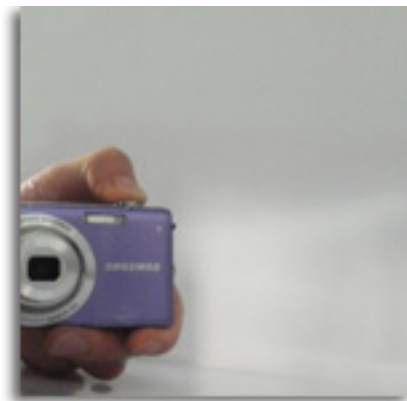

Mirror gold silver sublimation aluminum sheet, could enhance 60% above

Features of Aluminum sublimation sheets:

1. Light weight
2. Anti-static, anti-fingerprint
3. Environmental protection
4. Anti-scratch

Performance :

			
Mirror Gold	Mirror Silver		
SA200	SA201		
Technical Information			
Product name	Mirror gold silver sublimation aluminum sheet		
Thickness	0.45mm, 0.55mm and 0.65mm		
Normal size	1200x600mm, 600x400mm, 610x305mm (24"x12"), 600x300mm; Special size could be made on MOQ base.		
Finish	Satin, matte, brushed, mirror, color coated.		
Heat transfer parameter	200°C and 40 seconds.		
Packaging	Paper carton, plywood pallet.		
Application of aluminum sublimation sheet			
Sign board		Licence	
Name plates		Labels	
Tea coasters		Photo frames	
Trophies, awards,		Wall arts	
Badges		Information boards
